Summary

A driven and analytical professional passionate about leveraging data insights to solve complex problems, seeking data science opportunities to drive business success and innovation. Actively engaged in research, continuously enhancing interpersonal skills and expanding expertise to support ongoing professional growth.

Skills

- SQL (MySQL)
- Python Programming
- Tableau public
- Microsoft Excel
- Jupyter notebook
- Adobe Photoshop(Basics)
- Teamwork
- Analytical thinking

Education

BACHELOR OF TECHNOLOGY – VSM COLLEGE OF ENGINEERING [**JNTUK**]– RAMACHANDRAPURAM ,AP   **2021- PRESENT**

Majors: **C**omputer **S**cience **E**ngineering   CGPA-7.72

Projects

CREDITCARD FRAUD DETECTION – Personal reference Project - **Codsoft virtual Internship**   May 2024

- Created interactive Tableau dashboards to present analysis results clearly, enabling stakeholders to pinpoint the top two factors contributing to transaction errors while facilitating data-driven decision-making processes for future improvements. Check here: PROJECT

BLOGWEBSITE – Personal reference Project - **BharatIntern virtual Internship**   April 2024

- Developed a blog website using MongoDB, JavaScript, and HTML, gaining skills in full-stack development, and responsive design.

FLIPKART CLONE – Personal project from my college - **MSNM technologies (P) LTD**   May 2023

- Designed and implemented a scalable Flipkart clone with features like product listings, user authentication, and shopping cart functionality using technologies such as HTML, CSS, Bootstrap, and PHP.

Experience

DATASCIENCE VIRTUAL INTERNSHIP – ZENECKS INFOTECH – Bengaluru, India   May 2023 - July 2023

- Gained Data Science skills through a virtual internship, analyzing raw data to extract valuable insights and collaborating with a team of Data Analysts on complex problem-solving, including a Spam Email classification project. Check
- Applied data validation and machine learning algorithms to identify inconsistencies and resolve errors, ensuring accurate and reliable results for improved efficiency. VIEW

WEB APPLICATION DEVELOPMENT – MSNM Technologies (P) Ltd – Ramachandrapuram ,AP   May 2023 - July 2023

- Learned and Gained hands-on experience with web development tools which include Html, CSS, Bootstrap, MySQL database (PHP).

Certifications

- Databases and SQL for Data Science with python - Link
- Machine Learning with Python: A Practical Introduction - Link
- Python(Basic) - Link
